Dear Mr. Capps:

In accordance with the letter from Thomas M. Dorman, Executive Director Public Service Commission dated March 24, 2004, we have reviewed the Water Districts request to use remaining funds.

Since the original project is complete and there are no outstanding issues, Rural Development gives Cumberland County Water District permission to use the remaining funds to install additional water lines.

If you have any questions, please advise.

Sincerely,

for CHARLES J. BLANKENSHIP
